Class of 2013 Registration Worksheet

Once you have used the online Course Selection Guide to read about course selection recommendations and taken any required surveys and placement tests, please complete this Registration Worksheet by listing your course choices (and alternate courses) **before** you register online.

Online registration will be available from Tuesday, May 26 through Friday, June 19. Because you may use the online system only once to submit all of your course selections, please use this worksheet to fully prepare for that session. To begin your online registration session, you will need both your network ID and your password. Once online, you will select courses from a drop-down menu.

In order to match you with a faculty advisor, please identify your area(s) of academic interest (e.g., BS Biology, Undecided, AB History, Exploring Humanities, BS Engineering)

- 1) _____
- 2) _____

Please list your top five First Year Seminar (FYS) choices (from #1/top choice to #5):

- 1) FYS # _____ Course Title: _____
- 2) FYS # _____ Course Title: _____
- 3) FYS # _____ Course Title: _____
- 4) FYS # _____ Course Title: _____
