

LAFAYETTE ACTIVITIES FORUM

LAF's goal is to promote campus interaction and student relations by incorporating diverse, quality programming and entertainment that reflects the interests of the Lafayette community.

LAF is made up of several committees, including Issues & Culture, Comedy, Special Events & Recreation, Music, Gilbert's Coffeehouse, The Spot and Marketing. Each committee schedules and plans different events for the year. Some events have been comedians, hypnotists, campus scavenger hunts and large scale concerts!

RESIDENCE HALL COUNCIL

RHC is dedicated to improving the quality of life in the residence halls by relaying residents' interests and concerns to the administration and providing opportunities for students to meet and socialize.

RHC provides an opportunity for first-year students to immediately assume a leadership role on campus. Becoming a hall representative or Building President is a great way to gain experience running meetings, planning events, managing a programming budget and representing other residents' interests.

TO GET INVOLVED, attend an information session. RHC executive officers will run these meetings in each residence hall during the first weeks of the semester. For further information, email reslife@lafayette.edu or visit us at ww2.lafayette.edu/~reslife/RHC

STUDENT GOVERNMENT

Student Government is an active body of 15 students that acts as a liaison between students and Trustees, administration, faculty, and alumni. S.G. also advises the First Year Class Council, students elected the first year to plan class events. Elections for FCC are held in the fall.

There are thirteen Faculty Committees and six Trustee Committees that have student representation. Student representatives are recommended by S.G. and enjoy the same responsibilities and privileges as faculty and Trustees.

Close to 200 student co-curricular organizations and programs exist at Lafayette. The funding for most of these organizations comes from your activities fee allocated by Student Government.

For further information, call the S.G. Office at 610-330-5353, or visit their website ww2.lafayette.edu/~stugovt.

WILLIAMS CENTER FOR THE ARTS

The Williams Center for the Arts is the home of the Performance Series, the College Theater program, the Art Gallery, the Departments of Art and Music, and the Arts Society. Classes in music performance and theory, art history, and theater performance and production meet here.

The Performance Series presents a busy schedule of jazz, classical and world music, modern dance, theater, and cutting-edge experimental performances—all free of charge to students. Many of the touring artists offer master classes, workshops, and lectures for students.

The College Theater season includes productions on the Williams Center main stage and in the intimate Black Box, as well as the annual Fringe Festival. Auditions are open to all students; stage technicians are also welcome.

The Williams Center Art Gallery offers seven exhibitions during the academic year; presents workshops, a Brown Bag lecture series, and other special events; and serves as both a resource for art students and a destination for the campus and surrounding community.

Music department performing groups include orchestra, choir, jazz band, concert band, and other instrumental ensembles, all coached by professional musicians. Private music lessons are available in piano, guitar, voice, and other instruments.

The Arts Society is a student organization offering a variety of arts-related events and programs on and off campus, such as the popular Block pARTy and Afternoon of A Cappella concert. Membership is open to all students.

The Williams Center maintains e-mailing lists to alert students of upcoming opportunities to be involved in arts projects and events. E-mail blatta@lafayette.edu to be included, or see our Web site, www.lafayette.edu/williamscenter.
